Executive Board Meeting Minutes
Mission Beach Woman's Club
April 16, 2008**

In Attendance: Mary Swenson, Doug Swenson, Bill Bradshaw, Roberta Morgan, Nancie Geller, Bob Ruane, Will Gardner, Kat Ohlmann, Jasmine Kung, Roberta Morgan.

Call to Order by President Mary Swenson at 5:30 P.M.

May meeting topics: Summer Police Plans, Annual Trash Drive and Clean Court Contest (Lee Silber will again coordinate).

Historical presentation last week netted \$115 in donations. We will match that and any funds collected at the second showing tonight. Money goes to MB High music program.

Recycling: Second dumpster has been added at El Carmel and they are all being emptied regularly and area around them is being cleaned up.

Good Neighbor Issues: We can try to do this as a topic in June to make sure summer visitors are aware of new rules regarding alcohol and smoking. Property Manager Companies and local Realtors need to be included as well as owners who rent with the VBRO (Vacation Rentals By Owners) website. Jasmine will take information to the Tuesday Realtors meetings.

Neighborhood Watch Signs: Bill Bradshaw surveyed our current signs. Many have major defects and some are "a disaster". New signs cost \$40 and we don't have funds. Discussion resulted in exploring inexpensive motion lights/cameras. Jasmine agreed to do some research. If we do purchase signs, it was felt they would be more effective if they indicate there is surveillance taking place.

Vandalism: Thefts of things like plants and chairs is increasing. Call and report them all. The more calls, the more police presence we will get.

Adjourned at 6:00 P.M.
