**Executive Board Meeting Minutes**  
**Mission Beach Woman's Club**  
**March 19, 2008**

**In Attendance:** Mary Swenson, Doug Swenson, Will Gardner, Andy Chotiner, Bob Ruane, Bob Craig, Larry Clark, Kat Ohlman, Roberta Morgan, Bill Bradshaw, Jeff Garland, Dieter Wirtzfeld, Nancie Geller, Jasmine Kung

**Call to Order:** President Mary Swenson called the meeting to order at 6:15.

**April General Meeting:** April 9, 2008. Business Meeting (brief) will be at 6:30 with the History of Mission Beach Presentation at 7:00. The meeting and presentation will be at Mission Beach Woman's Club. Nancie will get publicity on this in *Beach & Bay Press* March 27 and April 3, and will request RSVP's by email or phone to Mary.

**Volunteers:** Teresa Fout has requested that we have a TC representative to the Beach Area Community Court. Bill Bradshaw volunteered. Mary will advise Teresa. Bob Craig also volunteered to try and get some photos to enhance the website.

**MBWC Fundraiser:** Everyone is encouraged to attend this annual event on Saturday, April 29, 3-6 PM at the Pennant. Silent auction proceeds and proceeds from other activities will go to support the Mission Bay High School music program. A request was made at the last meeting that MBTC also make a donation. We will have a donation container at the Mission Beach History presentation. The board MSP to match that donation, up to \$500.

**Smoke Shops:** Board took no action on request that MBTC write a letter about the negative impact of these businesses. We encourage concerned individuals to do so.

**Website:** Gretchen would like a testimonial for her work for us on the website. MSP to approve.

**Clean Court Contest:** Willie and Larry volunteered to work on the third annual contest with Lee Silber..

**San Diego BIG Newsletter:** Vol. I, No. 1 notes MBTC's "concerns" and conveys the impression that we are in support of their goals. Mary will contact Laura Henderickson to address this.

**Recycling:** Board discussed things we can do immediately (monitor the recycle bins, take pictures and call overflow number, 858-694-7000) and write an article for B&B Press (Doug will do). We can put recycling info in the Trash Drive flyer for June and redesign trashcan stickers to include recycling and scavenging. A survey of MB Mission residents to seek their feelings about recycling options would be helpful. Questions we need answered include (1) how much money is the Rec Center actually getting from the recycling program? and (2) how many people are needed for the City to start doing recycling using the blue cans? Mary will try and get answers to these through Thyme Curtis.

Meeting adjourned at 7:30 PM
