

**Mission Beach Town Council  
Executive Board Meeting Minutes  
Mission Beach Woman's Club  
May 21, 2008**

**In attendance:** Mary and Doug Swenson, Nancie and Marc Geller, Dieter Wirtzfield, Andy Chotiner, Jasmine Kung, Willie Gardner, Bob Ruane, and Bob Craig.

**Call to order** by President Mary Swenson at 6:00 PM.

**Topic for June General Membership Meeting:** "Summer at Mission Beach: Quality of Life Concerns" Dieter and Jeff will work on a flyer designed to "educate" residents, including summer visitors and college students, on issues affecting the quality of life in our community:

- Beach Alcohol Ban
- Recycling and location of drop-off points
- Rules regarding noise from house parties and loud vehicles

Mary will contact SDPD Officer Charlie Wetzell will update us on the most recent noise ordinances. Bob R will get the information to property managers. Area reps will be asked to circulate in their area

**Annual Trash Drive will be June 14:** flyer will specify what the City trucks will take and what they won't take. Mary will contact Beach and Bay Press regarding inserting it in the paper. **Clean Court Contest will be June 22:** Lee Silber will do flyer. Kat is working on recycling survey and needs everyone's input

**Member vote** to support matching funds from History Night presentations will be on June agenda.

San Diego BIG is promoting volleyball camps and events at South Mission Beach, calling the area the South Mission Beach Sports Park. They also seem to be continuing to pursue more development. Questions were raised about whether they have permits for the camps and whether their signs, which appear to be advertising, are in compliance with signage codes? Mary will contact Dan Daneri, John Hudkin's replacement, at Park and Rec. She will reiterate our position on this matter as stated in our February letter and request that we be kept informed.

## **MBTC Board Minutes/5.21.08/Page Two**

### **New Business:**

**Recycling Dumpsters** on Santa Clara Point could be moved so the island they currently occupy could be landscaped and beautified

**MBTC Totes**, suitable for groceries: suggestions that they be natural with a blue and red logo, and include “Think Globally, Act Locally” and our website. We could order 50 to start with and offer them for sale at \$10 each. Mary will speak further to Adam Huntington who has worked on the design and connect him with Bob Ruane who can help with the printing.

Jasmine reported on her experience of being harassed by “shady characters” on the Boardwalk near Belmont. It is better when she rides her bike than when walking. This can be brought up with SDPD at the regular meeting.

Meeting Adjourned 6:50

Minutes submitted by Doug Swenson, Secretary
